

## 2013 Dirty Scurry Obstacle List

### 1-Barrel Roll Creek Dive-

With arms tucked and legs straight, you will roll down a hill splashing into a mud filled puddle, then crawl up the other side.

### 2-Creek Run

Don't lose your shoes as you high step through a creek of mud.

### 3-Tire Walk

Make your way through rows of tires each one filled with a muddy center. Beware, this obstacle can be tiring.

### 4-Tent Crawl

No camping in this tent! One long tent will be your path as you crawl through mud to get out the other side

### 5-Moguls

This obstacle has its ups and downs as you make your way over several small hills all in a row. You won't see snow on these moguls, just lots of mud.

### 6-Maze Crawl

On your hands and knees you will be making your way through a maze of hay crawling and finding your way to the end. Amazing!

### 7-Dirt Mountain

You will climb up one side, and slide down the other on a mountain entirely made of wet dirt.

### 8-Tarp Slide

One mud covered tarp will be your slide as you splash into a muddy puddle and crawl up the other side.

### 9-Army Crawl

Your orders are to crawl under the ropes on your elbows and knees making your way through the thick mud.

### 10-Over & under

Elevated beams will be the obstacle. Some you climb over and some you duck under, but all will be covered in mud.

### 11-Mud pit Crawl

Moving left than right around many barriers, all while you crawl under ropes. Warning: You may get dirty at this obstacle.

### 12-Tunnel Crawl

Hit the ground on all fours to make your way through the large mud filled tube and head to the finish line.
